A big thank you to all my customers and friends for helping Shaw Pens to enter it's 19th year.

So we have a number of things going on.

First one is 20% off retail price on all pens and accessories. Use Code SHAW19 at time of check out. You will receive 20% off your entire shopping cart and you can use it a many times as you want. Sale ends November 17, 2024.

Be sure to friend or follow Shaw Pens on Facebook. Give aways will be announced here. I have a number of them planned going through December.

Finally

Shaw Pens will donate \$ 10.00 or 10% of the sale which ever is more to the victims of the flood in Asheville North Carolina. With your help we can help out the citizens of Ashville, North Carolina. I am in touch with Origami Ink to see what help they can use. The fountain pen community is a small community and is very close. Any help they need Shaw Pens will try and help out. These are the three charities that Shaw Pens will be supporting out. Feel free to copy the links and donate yourself.
