Since 2006

A big thank you to all my customers and friends for helping Shaw Pens to enter it's 19th year.

So we have a number of things going on.

Our Special Order Pens will not be available until late 2nd quarter 2025 Thank you for your understanding.

We now have 45% off all in stock pens as long as supplies last. Once they are gone it will not be until late 2 quarter 2025 until we start making pens again.

There are a number of new pen lines going to be introduced in 2nd and 3th quarter of 2025.

Hope everyone have a happy holiday and a happy new year.

Alan Shaw

Finally

Shaw Pens will donate \$ 10.00 or 10% of the sale which ever is more to the victims of the flood in Asheville North Carolina. With your help we can help out the citizens of Asheville, North Carolina. I am in touch with Origami Ink to see what help they can use. The fountain pen community is a small community and is very close. Any help they need Shaw Pens will try and help out. These are the three charities that Shaw Pens will be supporting out. Feel free to copy the links and donate yourself.
